Dated: 07th Jan 2026

My Dear Sisters,

Loving greetings to each one of you from the provincial office.

Having said in humble acceptance, 'yes' to God's will manifested through our superiors, I have taken up the leadership of our province along with my council. I thank God, Mother Christine Mynsong and all of you my dear sisters for the trust placed in me, to take our beloved province ahead.

As I begin this new journey of service in the province, I am deeply touched by the love, prayers, and support you have already shown me, and feel blessed to walk this new path together with each one of you my dear sisters. I wish to thank you sincerely for your prayers, encouragement, and trust. I am deeply aware of my limitations and know fully well that this responsibility is not mine alone, but a shared mission entrusted to us by God, for the good of our Province and the wider Church.

We stand on the shoulders of our pioneers who labored hard to build up the province, and I know that together we will continue to build upon the foundation they have laid with dedication and love.

As I look ahead, my vision for our Province is one of **renewed communion, vibrant mission, and deepened spirituality**:

- **Communion:** To strengthen bonds of sisterliness among us, so that our diversity becomes a source of richness and unity.
- **Mission:** To respond creatively and courageously to our specific mission of Evangelization and Catechesis which we carry out through our various apostolates responding to the needs of the time, keeping close to our hearts women, girls and children giving specific attention to the poor, the marginalized, and the rejected of the society.
- **Spirituality:** To remain rooted in Jesus, in intimate relationship, drawing life daily from the Word of God and the Eucharist, so that our witness may be authentic and life-giving.

Let us together dream of a Province where each member feels valued, heard, and empowered to contribute her gifts towards the growth of God's Kingdom and his reign in the hearts of all

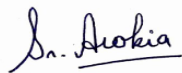

whom we minister to. This journey cannot be walked alone; I invite your cooperation, your openness, and your creativity. Together, let us discern the paths the Spirit is opening before us, and walk them with joy and hope in full collaboration with our Superiors.

May we always remember that our strength lies not in our own efforts, but in God's grace. I invoke His blessings upon each of you, upon our communities, and upon all those who are entrusted to our care.

May Mary Help of Christians, our Mother, accompany us with her tenderness and courage and enable us to accomplish God's plan for our province.

With gratitude and trust,

Sr. Arokkiya Mary
Provincial Superior
